The Craft Center FOUNDERS Initiative

HONORING OUR PAST.
CREATING OUR FUTURE.
For more than 40 years, the original UC San Diego Craft Center stood for creativity, expressiveness and community. Today, the reimagined Craft Center offers a new generation of creators and artists an opportunity to get their hands dirty in pursuit of meaningful self-expression and shared experiences.

Housed within the North Torrey Pines Living and Learning Neighborhood, the Craft Center provides our students and neighbors access to masters of craft — experts in ceramics, jewelry making, culinary art, woodworking, surfboard shaping and more — reinvigorating our community’s capacity to learn and design, mold and envision. Students will have access to low-cost, high engagement activities during CRAFTY hours.

The Craft Center FOUNDERS Initiative honors the volunteer leaders and donors who have advocated for the Craft Center’s return to campus — and with it, reviving a sense of imagination and inspiration to create.

Thank you for joining the Craft Center FOUNDERS Initiative.

Your gift will secure the legacy of craft on our campus for generations to come and connect our students to creative opportunities that enrich their experience at UC San Diego and beyond.

Your tax-deductible gift to the UC San Diego Foundation will be used to support and advance the Craft Center’s programs and priorities. We appreciate your trust and value your privacy, and we will always keep your contact information strictly confidential except as otherwise required by law. The UC San Diego Foundation is a registered 501(c)3.
CRAFTING OUR FOUNDING LEGACY

In the spirit of recognizing the generosity of current and future supporters who have had a foundational impact on Craft Center programs and facilities, the Craft Center FOUNDERS Initiative, which extends through October 15, 2022, is designed to memorialize the center’s founding vision: to give our students and our community access to creative resources that will stay with them throughout their lives.

And thanks to the Creatively Realizing Art and Fun Together (C.R.A.F.T.) Endowment Inspiration Challenge, gifts to the endowment are eligible for a 1:1 match.

Help us continue the nontradition.

At the University of California San Diego, challenging convention is our most cherished tradition. Through the Campaign for UC San Diego — our university-wide comprehensive fundraising effort concluding June 30, 2022 — we are enhancing student support, ensuring student success, transforming our campus, connecting our community, and redefining medicine and health care on a global scale.
